THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. Even though they have found some short-commings in the Ex-Servicemen (ESM) Scheme of Coal transportation work in SECL in their report, there is no mention of Rs. 25000 crores scam. Based on the recommendations of Committee, Prime Minister (as Minister of Coal) has approved that CBI may examine all relevant records and documents concerning sources of finance and audit reports to find out if the ESM companies are being used as front companies by other vested interests.

As these ESM companies are regulated and sponsored by Director General Resettlement, Ministry of Defence, a communication has been sent to Ministry *of* Defence in this regard accordingly for taking necessary action.
